

Carl McLawhorn Memorial Fly-Off VII

- NAR National Rocketry Competition (NRC) Events
 - CMMF Meet Championship
- Sport & HP Launch, Up To K Motors (5,000 AGL)

October 19-20, 2019

9am-5pm Saturday, 9am-2pm Sunday

Hosted by: PSC #473 Pittsburgh Space Command

Location: Weber Farm - 595 Tie Line Road, Grove City, PA

* Meet Championship Events:

Predicted Altitude (Any Semroc w/Altimeter)

1/2A Streamer Duration

1/2A Parachute Duration

1/2A Boost Glider Duration

F Dual Eggloft Altitude (w/Altimeter)

* Meet Championship Scoring:

Normal NAR divisions will be used.

We will use the NARAM sporting code scoring system for each event.

Total score of the meet will be the sum of the meet championship events.

The predicted duration event will be used for any ties.

* All NRC Events Can Be Flown:

Eggs will be provided but competitors will need to provide their own altimeters.

Pre-Competition Barbecue - October 18th (5:00 pm):

Hosted by Lori and John Brohm at 106 Wickerham Dr, Mars PA 16046

Please give them a head count at: jrbrohm@zoominternet.net
